

MANAWATU

CHRISTMAS CHEERS BBQ

Sunday 7th December 2025

Thirty-six members in 18 cars converged on Elaine and Bruce Little who again generously opened their beautifully presented property on the outskirts of Levin for this year's BBQ. It was warm, threatening rain first thing, but turned out a beautiful day. We all sat outside under umbrellas on the expansive patio. There was much chatter and laughter as everyone caught up over a few drinks.

Half of those attending travelled direct to the Little's whilst the remainder convoyed from the Blo Kart track in Sanson for a 11 am arrival. For this event, in the spirit of Christmas, everyone brought a savoury or salad dish and a small sweet for dessert to compliment the meats, which were supplied by the club.

Bruce lit up the BBQ and with the help of Paul went about cooking meat patties and sausages to compliment the Christmas ham also on offer. With a wide variety of yummy food, a lovely spread for all.

Club Captain, Steve thanked the Little's for again offering their home and hosting us for this year's BBQ and also thanked members for not only attending this outing but also for running and supporting the many events though out the year.

Most members had departed by around three o'clock.

Thank you, Bruce and Elaine, for making your property available and your great hospitality all of which was greatly appreciated.
