

# British and European Car Day

Trentham Memorial Park

Sunday 11<sup>th</sup> February 2024

Four cars represented MG Manawatu within the MG Wellington club display at this year's event. Ian and Sue Pearson travelled down from Whanganui on the Saturday meeting us onsite on Sunday. This left Craig Crowley, Roger Pick and grandson Ryan and ourselves to travel down on the day, leaving from Longburn at 6.45am arriving at the park at 8.45am.

Some of our members who are also members of MG Wellington attended as Wellington members. The club's display had over 70 entries, which was an excellent turnout. There were 3 or 4 other MGs in attendance as part of other club displays such as Horowhenua Vintage Car Club.

The day in Trentham started out showery, cold, and breezy turning to dry and a tad warmer by lunch time. It is understood that approximately 700 cars were on display, bringing memories for some of the cars that they and family members used to drive. By about 1.30pm cars began to depart missing the prize giving ceremony where the MG display was awarded the Car Club display of the show. Well done to MG Wellington who organised a well thought out display.

Our group of 4 cars began leaving at various times around 2 pm.
