

MANGAWEKA MUSIC AFTERNOON RUN

Sunday February 14th was MGer's second meeting for the year

It was a great day for a leisurely drive up to Awastone

6 cars and occupants met in Kimbolton Rd in Feilding at 1.30pm .

The tour leader took us up through Kimbolton and we turned left at Pemberton corner onto Mangomako Rd then right into Otara Rd, which comes out onto SH1 just north of Ohingaiti. From there it was a short drive to Mangaweka and Awastone . During the afternoon we had 3 other cars arrive to join the group.

The afternoon turned out hot and sunny and members walked to the bridge while others walked to the power house and dam.

Some of the hot people went to the river for a cool swim but this was for cool members and only for ones that remembered their togs.

Everyone stayed into the evening and enjoyed the music and the food.

We arrived home about 9pm
