

## MG Manawatu Christmas Run 2020

Wow what a fabulous day! Thanks to Sandy and Trevor for organising an amazing Christmas run and lunch for us all on Sunday.

It started at Sanson where we met on the main road. 36 of us, such a long line of cars we grouped in two hubs for a quick chat before hitting the road.

A beautiful sunny day with the tops down on the convertibles among us.

Heading towards Halcombe the route took us on very scenic country roads, through Colyton, and round the railway line loop near Bunnythorpe to the Feilding Golf Club where a very festive lunch was served.

Hot ham, Mango Chicken Curry, Potato and vegetables, Salad to name some of the delicious dishes. Finished with Trifle and Pavlova.

Christmas jokes spread throughout the run sheet made up for the absence of Christmas crackers. Everyone was in high spirits, enjoying the fellowship the club offers, the whole event was very well run and enjoyed by all.

Wishing you all a wonderful Christmas and New Year, looking forward to many MG experiences in 2021. Stay safe over the festive season, Robyn Higgison.
