

## **MG Pre56 2025 Rally – Concours & Public Display**

**Sunday 2<sup>nd</sup> March 2025**

The organiser of this year's rally, MG Manawatu member Pat Widdup, asked if our members would form a display of our MGs at Sunday's public event. Eighteen members brought along their cars and lined them up on the road inside Palmerston North's Square, which was closed for the event. The main attraction, being the 50 pre56 cars, occupied the grass area next door. These vehicles were in rows based on their year of manufacture.

Our group's involvement was for the period 9 am to 1 pm by which time members began to depart. Our group's cars and the rally participant's cars are depicted in the accompanying photos. At the time of this report the winner of the concours and people's choice award were not known to the writer.

Steve
