

WANGANUI REPORT

MONTE CARLO RUN FROM THE WEST 18TH JULY –

Five cars left from the Durie Hill Tower at 1pm. There were four from Wanganui and we were pleased to have Sue from Hawkes Bay join us.

We set off in a shower of rain, but the day was mild and apart from a couple more showers, it was a good run through to Hunterville via Fordell, Turakina, Makirikiri Road and SH1. No turnoffs missed along the way!

After a short stop we carried on towards Fielding via Vinegar Hill, Rewa and Waituna West. From there we were to turn at Williamson Road, our one and only missed turn, which put the car at the rear now leading the group.

From there we made our way to Halcombe through various back roads and from there to Feilding, again through some back country roads, to arrive at the Coach House Museum around 15 minutes behind schedule (perhaps due to a bit of window shopping done by some in Hunterville!)

After an enjoyable afternoon tea and catch up with the other members, we set off back to Wanganui. As is usual after a run, we met at the Rutland Hotel for a de-brief and dinner where we were joined by four other members who had not been able to make the run.

Many thanks to Robert and Lynn for all the effort they put in to making this a very enjoyable afternoon.

Russell & Julie Gaisford
