

6th April 2024 MG Run to The Woolshed Cafe and Heritage Houses.

We met at Bulls at 10:15am to a beautiful sunny day, 10 cars and 17 people and the return of Morris Gordon Bear who handed out Cadbury Favourites. He had been lost for two years.

The country road run to the Woolshed Cafe was enjoyed by all.

After Lunch we visited the seven Heritage Houses, two more to be added shortly.

Some of us stayed on for coffee after the visit.

We had pleasure organising this day out.
