

Sunday 4<sup>th</sup> December 30 MG'ers assembled at the Coach House Museum in Feilding 12 noon for the annual MG Christmas party.

It was great to see Des Mudford recovered from his recent illness coming along with John Edwards.

We commenced with a pot luck lunch with ham on the bone and hot chickens instead of the usual BBQ which proved a winner.

The dessert followed later and there was much conversation going on, everyone seem relaxed and enjoyed the company.

Our usual Father Christmas was absent so Trev Hardy did the deed.

Some of our members took advantage to visit the Coach House Museum while the rest carried on their conversations which was nice as often we don't get time to talk these days.

We discussed funny things that happened during the year on MG runs and highlights for people on MG runs.

It would seem the shop in Patea had highlights for those folks on the Taranaki run with the Browns.

We had tea and coffee and finally wound up leaving about 3.30pm all talked out.

It was a great afternoon and John then said our next MG outing would be the planning picnic in January. Asking people to put on their thinking caps as to where they would like to go and to think about organising a run next year.
