

MG MANAWATU NEW YEAR PICNIC AND PLANNING MEETING.

WELCOME TO 2019, we are starting off with a picnic, then the annual planning meeting Sunday January 13th.

Meet at the old Write Price Carpark, corner of Kimbolton Road and Warwick Street Feilding at 11am for 11.15am start.

We have a run to Ashhurst, where we can meet you there if that suits better, in the main street Cambridge Avenue before continuing on a short run to 21 Raukawa Road off Napier Road Palmerston North.

Please bring your picnic lunch, thermos with hot water, chairs, table, sunscreen if you think necessary. Toilets available. Plus your ideas of where to visit this year and if you would organise a day or weekend.

After the picnic lunch under the trees or in the sun, you decide we will have the Planning meeting.

If you cannot make this day please give some thought as to where you would like to visit, and if you would organise a day or weekend, let us know beforehand. Last year we have some fabulous day runs and weekends.

After the Planning meeting the property we are on has a Radio controlled off road car track and you are welcome to have a go at racing around the track. Its fun.

In the unlikely event there is rain forecast, we have plan B and will meet as above, but picnic and plan at a different dry location.

We would prefer it, if you did not go directly to the property, but if that is your choice, please wait for the rest of us, but let us know in advance so we can let the owners know.

Please email ts.hardy@xtra.co.nz or phone 06 3234040 Sandy or Trev Hardy if you are coming.
